RE: PSC Case No. 2001-00297  
Hemphill Site No. 1342  
Hemphill Site Name: East Somerset, KY

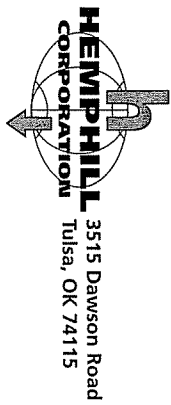

Dear Sir:

On December 17, 2001, Third Kentucky Cellular Corporation (d/b/a Wireless 2000 Telephone and NorthStar Technology, LLC) made application seeking a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility. The Public Service Commission granted the Certificate of Public Convenience and Necessity on May 3, 2002.

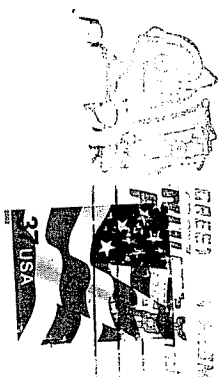

This is to advise that the initial applicants have not collocated on the telecommunications facility. Hemphill Corporation plans to construct the facility and Bluegrass Cellular will collocate on the tower.

Sincerely,

  
Sherry J. McFee  
Project Manager
